About BSACIST:

B.S. Abdur Rahman Crescent Institute Of Science & Technology

Since 1984, B.S. Abdur Rahman Crescent Institute of Science and Technology is a renowned Institution located at the greenest spot of Chennai near Tambaram. Through our long history of 42 years of excellence, the Institution has offered access to a wide range of academic opportunities. With various Undergraduate, Postgraduate and Ph.D. programmes grouped under 12 different Schools, this institution is a stalwart in higher education with promising Quality, Security and Placement. We welcome students from all countries and our educational programmes are designed to equip the learners with virtual knowledge that helps them to achieve what they want to be and go where they want to go in the ladder of success.

About The Crescent School of Pharmacy

Crescent School of Pharmacy has been added as a new feather in the crown of B.S Abdur Rahman Crescent Institute in the year 2017. CSP has been approved by the Pharmacy Council of India, New Delhi to start the B.Pharm Programme with an annual intake of 60. The School also received recognition from the UGC, New Delhi. The M.Pharm. Programmes in the Specializations of Pharmaceutics and Pharmaceutical Analysis are hosted in the Academic Years 2022-23 and 2024-25 respectively. The objective of the school is to provide quality education in the field of Pharmacy to the students of rural and urban areas.

About the e-FDP

The FIVE Days International e-Faculty Development Programme (e-FDP) on theme "Innovation and Intellectual Property Rights in Healthcare & Pharma" provides a platform for academicians, researchers, and industry professionals to explore emerging trends in pharmaceutical innovation, intellectual property rights, and healthcare through expert lectures from USA and interactive sessions.
